Getting Started

This Provider Directory lists Primary Care Doctors and other health care providers available to our Members. You can view the most current Doctor listing on our website at www.iehp.org. Or call IEHP Member Services.

A. Choosing Your Primary Care Doctor

As a Member, you need to choose a Primary Care Doctor, usually referred to as a PCP. You should select your Doctor within 30 days of enrollment. If you do not choose a Doctor, IEHP will choose one for you within 40 days of enrollment. Each enrolled family member can select a different Primary Care Doctor.

Here is a list of the types of Primary Care Doctors you can choose:

- Family and General Practice Doctors can usually see the whole family.
- Internal Medicine Doctors usually see only adults and children 14 years or older.
- Pediatricians see newborns to individuals age 18 or 21.
- *In California, the Children's Health Insurance Program (CHIP) is fully administered through the Medi-Cal program. All Providers who are contracted with a Medi-Cal Managed Care Plan (MCP) to serve pediatric Members also serve CHIP-funded children. There is no separate Network or distinction in service delivery between Medi-Cal and CHIP enrollees; both are covered under the same benefits, funding structure, and Provider access standards.*
- Obstetricians and Gynecologists (OB/GYNs) see only women and specialize in women's health and maternity care. Only those OB/GYNs listed in the "Primary Care Doctors" section can be chosen as your Primary Care Doctor.

If you have any questions about age restrictions, Doctor availability, your Doctor's medical school education, residency or board certification status, call IEHP Member Services.

B. Getting the Hospital You Want

Your choice of Primary Care Doctor will determine which hospital you will go to if you need inpatient or outpatient care. If you want to be able to use a specific hospital, select a Doctor who is associated with that hospital. You can find the Doctor's hospital association on the same line as the Doctor you select. Doctors who are associated with more than one hospital are listed twice with different numbers.

C. Getting the Specialist You Want

Specialists are Doctors who practice in a medical specialty. All IEHP specialists are linked to Primary Care Doctors. OB/GYNs are the only specialists listed in the Provider Directory because they are the only type of specialist that you can see without a referral. If there is a specific specialist you would like to see, talk to you Doctor.

Your Primary Care Doctor can provide services such as physical exams and preventive health services. For other services you may need to see a specialist. Your Doctor will tell you if you need to see a specialist. Your Doctor will submit a "referral" (i.e., a request) to the IPA/Medical Group or IEHP. You must have a "referral" to get specialty services.

D. Need Help Selecting or Changing your Doctor?

Whether you're choosing a Doctor for the first time, or want to change Doctors, call IEHP Member Services.

Información Básica

Este Directorio de Proveedores enumera los Doctores de Cuidado Primario y otros proveedores de atención médica que están a disposición de nuestros Miembros. Usted puede ver la lista más actualizada de Doctores en nuestro sitio web en www.iehp.org o llamando a Servicios para Miembros de IEHP.

A. Cómo Elegir a su Doctor de Cuidado Primario

Al ser Miembro, usted debe elegir un Doctor de Cuidado Primario, usualmente llamado PCP (Primary Care Doctor, PCP). Debe elegirlo dentro de los primeros 30 días de su inscripción. Si no elige un Doctor, IEHP le asignará uno dentro de los 40 días posteriores a su inscripción. Cada integrante de la familia que esté inscrito puede seleccionar a un Doctor de Cuidado Primario diferente.

La siguiente es una lista de los tipos de Doctores de Cuidado Primario que usted puede elegir:

- Los Doctores de Medicina Familiar y de Medicina General, usualmente pueden atender a la toda la familia.
- Los Doctores de Medicina Interna, usualmente solo atienden adultos y niños mayores de 14 años de edad.
- Los Pediatras, atienden desde niños recién nacidos hasta jóvenes de 18-21 años de edad.
- *En California, el Programa de Seguro Médico para Niños (CHIP, por sus siglas en inglés) se administra completamente a través del programa de Medi-Cal. Todos los proveedores contratados por un Plan de Atención Administrada de Medi-Cal (MCP) para atender a miembros pediátricos también brindan servicios a niños financiados por CHIP. No existe una red separada ni distinción en la prestación de servicios entre los inscritos en Medi-Cal y CHIP; ambos están cubiertos bajo los mismos beneficios, estructura de financiamiento y estándares de acceso a proveedores.*
- Los Gineco-obstetras, solo atienden a mujeres y se especializan en salud femenina y atención de maternidad. Solamente aquellos Gineco-obstetras que figuran en la sección “Doctores de Cuidado Primario” pueden elegirse como Doctores de Cuidado Primario.

Si tiene alguna pregunta acerca de las restricciones de edad, la disponibilidad, la formación académica, la residencia o el estado de acreditación de la Junta Médica de su Doctor, puede llamar a Servicios para Miembros de IEHP.

B. Cómo Recibir Servicios en el Hospital de su Preferencia

Su elección de Doctor de Cuidado Primario determinará en qué hospital será atendido en caso de necesitar atención hospitalaria o ambulatoria. En caso de que quiera tener acceso a un hospital específico, seleccione un Doctor que esté asociado con dicho hospital. La información sobre el hospital con el que está asociado su Doctor se muestra en la misma línea del nombre de su Doctor. Los Doctores que están asociados con más de un hospital aparecen dos veces con diferentes números.

Información Básica

C. Cómo Recibir Servicios del Especialista de su Preferencia

Los especialistas son Doctores que ejercen una especialidad médica. Todos los especialistas de IEHP están vinculados a los Doctores de Cuidado Primario. Los Gineco-obstetras son los únicos especialistas que aparecen en el Directorio de Proveedores debido a que son los únicos especialistas que pueden atenderlo sin necesidad de una referencia. Si usted necesita consultar un especialista en específico, infórmeselo a su Doctor.

Su Doctor de Cuidado Primario puede proporcionarle servicios tales como exploraciones físicas y servicios de atención médica preventiva. Para otro tipo de servicios, es probable que usted necesite consultar con un especialista. Su Doctor le indicará si es necesario que usted acuda a un especialista. Su Doctor le proporcionará una “referencia” (es decir, una autorización) para la Asociación de Médicos Independientes (Independent Physicians Association, IPA)/Grupo Médico o para IEHP. Usted deberá contar con una “referencia” para tener acceso a los servicios de un especialista.

D. ¿Necesita Ayuda para Elegir o Cambiar de Doctor?

Para elegir un Doctor por primera vez, o para cambiar de Doctor, debe llamar a Servicios para Miembros de IEHP.

IPA/Medical Group Listing

All Primary Care Doctors and specialists you see should be within the same IPA or Medical Group.

Independent Physician Associations (IPAs) or medical groups are a group of Doctors in private practice in your community who form an association (or team) to contract with health plans, like IEHP. These Doctors practice in their own independent offices, clinic, or medical groups.

Your Primary Care Doctor, along with the IPA or medical group, takes care of all your health care needs. This includes getting authorization to see a specialist or for medical services such as lab tests, x-rays, and/or hospital admittance. IEHP does not provide health care to you directly.

Contact your Primary Care Doctor to coordinate these services or if you have any questions or concerns about the coordination of your care.

Lista de IPA/Grupo Médico

Todos los Doctores de Cuidado Primario y especialistas que le atiendan deben pertenecer a la misma Asociación de Médicos Independientes (Independent Physician Association, IPA) o Grupo Médico.

Las Asociaciones de Médicos Independientes (IPA) o grupos médicos, son grupos de Doctores en consultorios privados en su comunidad que forman una asociación (o equipo) para trabajar con planes de salud como IEHP. Estos Doctores atienden en sus propios consultorios, clínicas o grupos médicos independientes.

Su Doctor de Cuidado Primario, junto con la IPA o grupo médico, se encarga de atender todas sus necesidades de atención médica. Esto incluye obtener autorización para que acuda a un especialista o para servicios médicos tales como exámenes de laboratorio, rayos X y/o admisión hospitalaria. IEHP no proporciona atención médica de forma directa.

Comuníquese con su Doctor de Cuidado Primario para coordinar estos servicios o si tiene usted alguna pregunta o inquietud acerca de la coordinación de su atención.

Primary Care Doctors

When choosing a Primary Care Doctor, make sure that the Primary Care Doctor and hospital you select are located within 10 miles or 30 minutes of your home.

When making your choice, you might also consider the following factors:
- If the Doctor's office is open evenings or weekends
- Which languages the Doctor speaks
- If the Doctor takes walk-ins or same-day appointments
- Where the Doctor sends patients for lab work

At IEHP, you always have a choice. If you decide to change your Primary Care Doctor, go to www.iehp.org or call IEHP Member Services.

Note: When you fill out the Plan Choice Form, use the DOC # affiliated with the IPA that you want on your form, instead of the NPI#.

Doctores de Cuidado Primario

Al elegir a un Doctor de Cuidado Primario, asegúrese de que tanto el Doctor como el hospital de su preferencia estén ubicados a no más de 10 millas o 30 minutos de su hogar.

Cuando haga su elección, podría además considerar los siguientes factores:
- Si el consultorio médico está abierto después del horario regular o los fines de semana
- Qué idiomas habla el Doctor
- Si el Doctor acepta pacientes sin previa cita o si acepta citas para el mismo día
- Lugares a donde el Doctor refiere a los pacientes para exámenes de laboratorio

En IEHP siempre hay una opción para usted. Si decide cambiar de Doctor de Cuidado Primario, visite www.iehp.org o llame a Servicios para Miembros de IEHP.

Nota: Al llenar el Formulario de Elección de Plan, utilice el DOC # afiliado a la IPA que usted desee en su formulario, en lugar del NPI #.

OB/GYN Providers

You can make an appointment with an OB/GYN without a referral from your Primary Care Doctor.

The Doctors listed in this section consist of both OB/GYN and Primary Care Doctors who are credentialed by IEHP to provide OB/GYN services. All Doctors in this Provider Directory are part of an Independent Physician Association (IPA) or Medical Group.

The OB/GYN you choose must belong to the same IPA as your Primary Care Doctor. So, when selecting an OB/GYN, look at his or her IPA listing and make sure it matches that of your Primary Care Doctor.

While you can select any OB/GYN in your IPA, it is important to choose an OB/GYN who is associated with the same hospital as your Primary Care Doctor. Doctors can only practice at hospitals they are associated with. Should you give birth or require surgery, you will be admitted to the hospital associated with your Primary Care Doctor. If your OB/GYN does not practice at the same hospital, you will be placed under the care of another Doctor while in the hospital. If you need help choosing an OB/GYN, go to www.iehp.org or call IEHP Member Services.

Proveedores de Ginecología/Obstetricia

Usted puede solicitar una cita con un Gineco-Obstetra sin necesidad de una referencia por parte de su Doctor de Cuidado Primario.

Los Doctores que aparecen en esta sección son Gineco-Obstetras y Doctores de Cuidado Primario que están autorizados por IEHP para proporcionar servicios de ginecología y obstetricia. Todos los Doctores de este Directorio de Proveedores forman parte de una Asociación de Médicos Independientes (Independent Physician Association, IPA) o Grupo Médico.

El Gineco-Obstetra que usted elija debe pertenecer a la misma IPA que su Doctor de Cuidado Primario. Por lo tanto, cuando seleccione un Gineco-Obstetra, revise a qué IPA pertenece y asegúrese de que coincida con la IPA de su Doctor de Cuidado Primario.

Usted puede seleccionar cualquier Gineco-obstetra en su IPA, pero es importante elegir uno que esté asociado con el mismo hospital que su Doctor de Cuidado Primario. Los Doctores solo pueden proporcionar atención médica en los hospitales con los que están asociados. Si usted va a tener un bebé o requiere una cirugía, será admintido en el hospital en el que su Doctor de Cuidado Primario esté asociado. Si su Gineco-Obstetra no ofrece servicios médicos en el mismo hospital, usted estará bajo el cuidado de otro Doctor durante su estancia en el hospital. Si necesita ayuda para elegir un Gineco-Obstetra, visite www.iehp.org o llame a Servicios para Miembros de IEHP.

Specialists

When you need care from a Specialist, your Primary Care Doctor (PCP) will send a referral to his/her IPA or Medical Group for review. The Specialist you see should be within the same IPA or Medical Group of your Primary Care Doctor.

Specialists are doctors who practice in a medical specialty. All IEHP specialists are linked to Primary Care Doctors. If there is a specific Specialist you would like to see, talk to you Doctor.

Your Primary Care Doctor can provide services such as physical exams and preventive health services. For other services you may need to see a Specialist. Your Doctor will tell you if you need to see a Specialist. Your Doctor will submit a “referral” (i.e., a request) to the IPA/Medical Group or IEHP. You must have a “referral” to get specialty services.

Especialistas

Cuando usted necesite atención de parte de un Especialista, su Doctor de Cuidado Primario (Primary Care Doctor, PCP) enviará una solicitud de referencia a la Asociación de Médicos Independientes (IPA) o al Grupo Médico para que la revisen. El Especialista al que usted consulte debe estar en la misma IPA o el mismo Grupo Médico de su Doctor de Cuidado Primario.

Los especialistas son doctores que ejercen una especialidad médica. Todos los especialistas de IEHP están relacionados con los Doctores de Cuidado Primario . Si hay un especialista en particular al que desee consultar, hable con su Doctor.

Su Doctor de Cuidado Primario puede brindarle servicios como exámenes físicos y atención médica preventiva. Para obtener otros servicios, es posible que deba consultar a un Especialista. Su Doctor le indicará si usted necesita consultar a un Especialista. Su Doctor enviará una “referencia” (es decir, una solicitud) a la Asociación de Médicos Independientes/al Grupo Médico o a IEHP. Usted debe tener una “referencia” para obtener servicios de especialidades.

Vision Providers

You do not need a referral from your Primary Care Doctor to make an appointment with an Optometrist (called Eye Doctor).

Use the vision provider section to find an IEHP optometrist (i.e., Eye Doctor) who is conveniently located near your home or work. You can receive routine and preventive vision care services, such as periodic eye exams. If you are under the age of 21, or you are staying in a licensed nursing facility such as a skilled nursing facility, or you are pregnant and have a medically necessary condition, you can get eye glasses or contacts through an IEHP Eye Doctor.

A referral from your Primary Care Doctor is not necessary to schedule an appointment. Simply call your vision provider's office and schedule your appointment directly.

Proveedores del Cuidado de la Vista

No necesita una referencia de su Doctor de Cuidado Primario para hacer una cita con un Optometrista (Doctor del Cuidado de la Vista).

Use la sección de proveedores de servicios de la vista para buscar un Optometrista (es decir, un Doctor del Cuidado de la Vista) de IEHP que se encuentre ubicado convenientemente cerca de su hogar o trabajo. Puede recibir servicios del cuidado de la vista preventivos y de rutina, como exámenes periódicos de la vista. Si es menor de 21 años o se encuentra en un centro de enfermería con licencia, como un centro de enfermería especializada, o está embarazada y tiene una condición médicamente necesaria, puede obtener anteojos o lentes de contacto a través de un Doctor del Cuidado de la Vista de IEHP.

No se necesita una referencia de su Doctor de Cuidado Primario para programar una cita. Simplemente llame al consultorio de su proveedor del Cuidado de la vista y programe su cita directamente.
